WHAT DO SNOWMEN DO AT NIGHT?

By Eliza

Maybe snowmen go to the North Pole

And slide down it till they get cool.....

Or they will sled

Till they get tired and go to bed.....

Perhaps they'll hang out with the reindeer

Laughing and shouting too

Having a soooo fun time

I bet they always do

Maybe they will knit

With kind Mrs. Claus

As they calmly sit

By the warm and toasty fire

Maybe they'll choose a tree with Santa big and fluffy too,

"Oh how nice and jolly!" Santa's elves will coo.....

Maybe they will drink

Cocoa with lots of marshmallows too

On a smooth and slick skating rink

As they exclaim Whoo! Whoo! Whoo!

Perhaps they'll make tons of little toys

With the elves and bring lots of joys……

And when it's time to go home they'll take the Polar Express

And when they finally get off, they will leave quite a mess.....

But whatever they do, baking and making or playing in the snow,

I'm sure I'll never figure out or never even know.

Merry Christmas!!!
