WHAT DO SNOWMEN DO AT NIGHT?

By Haley H.

Snowmen go to the North Pole and slide down it 'till they get cold. SWOOSH!

Then they play a game of Go-Fish with Santa as they both exclaim ''Go Fish"

See you later

Later they help Mrs. Claus bake a batch of cookies and even peppermint cake. Mmmmmmmm!

Good Bye

After that they help some elves fix some broken toy tops and wrap some presents in Santa's shop.

They will even teach the reindeer to fly until they reach the sky. Clip, clop, clip, clop, clip, clop!

But when they're done with their day they will jump right in the sleigh. Snow, Snow, Snow,
Have a Merry Christmas
