SNOWMEN IN NEW YORK CITY

BY STEPHEN AND DANFORTH

During the day the children of all ages build snowmen in the park.

After dusk, the children return to their apartments and the 6 sow men come alive.

Altogether 6 snowmen visit Rockefeller Center. 1 falls into pieces, 5 slide away.

Down the subway stairs, 5 make a mad dash for the train. The doors close 1 is a tad slow and gets stuck in the doors.

4 ride the train to the zoo. 1 snores away while the others walk away.

At the zoo 3 see a elephant but 1 does not pay attention and is squashed 2 make their way back to the park.

1 doesn't look both ways and meet his destiny with a snow plow.

As the sun rise, 1 makes its way back to the park and dreams of the tragic night.
